## CAMERA SERVICES

### CAMERAS AND EQUIPMENT

We are an authorized dealer for most major brands of camera equipment such as Canon, Nikon, Pentax, Olympus, Panasonic, Manfrotto, Lowepro, Sigma, Tamron, Sandisk and many more.

Come in and see John Boylan, our camera equipment expert. He can assist you in selecting a camera and match you up with all the accessories to go with it. Ask him for current, competitive pricing on a full line of cameras and accessories.

Select from the wide variety of lenses available today. Everything from fixed to zoom lenses, large telephoto, wide angle and even specialty lenses like fisheye and macro. The vast array of lenses we can specially order offers new opportunities for any photographer to expand their capabilities and make the best use of their cameras.

The proper storage for your photographic equipment protects your investment and ensures you are ready to shoot at a moments notice. We can outfit you with the perfect bag or case to protect your expensive photography equipment and still give you the convenience and easy access you require to avoid missing that perfect shot.

Tripod kits are specially put together to ensure compatibility between components based on size, weight and field of application. Heads, tripods and monopods for digital and film cameras combine traditional simplicity with the latest innovations and practical professional features.
